FROM THE PRINCIPAL

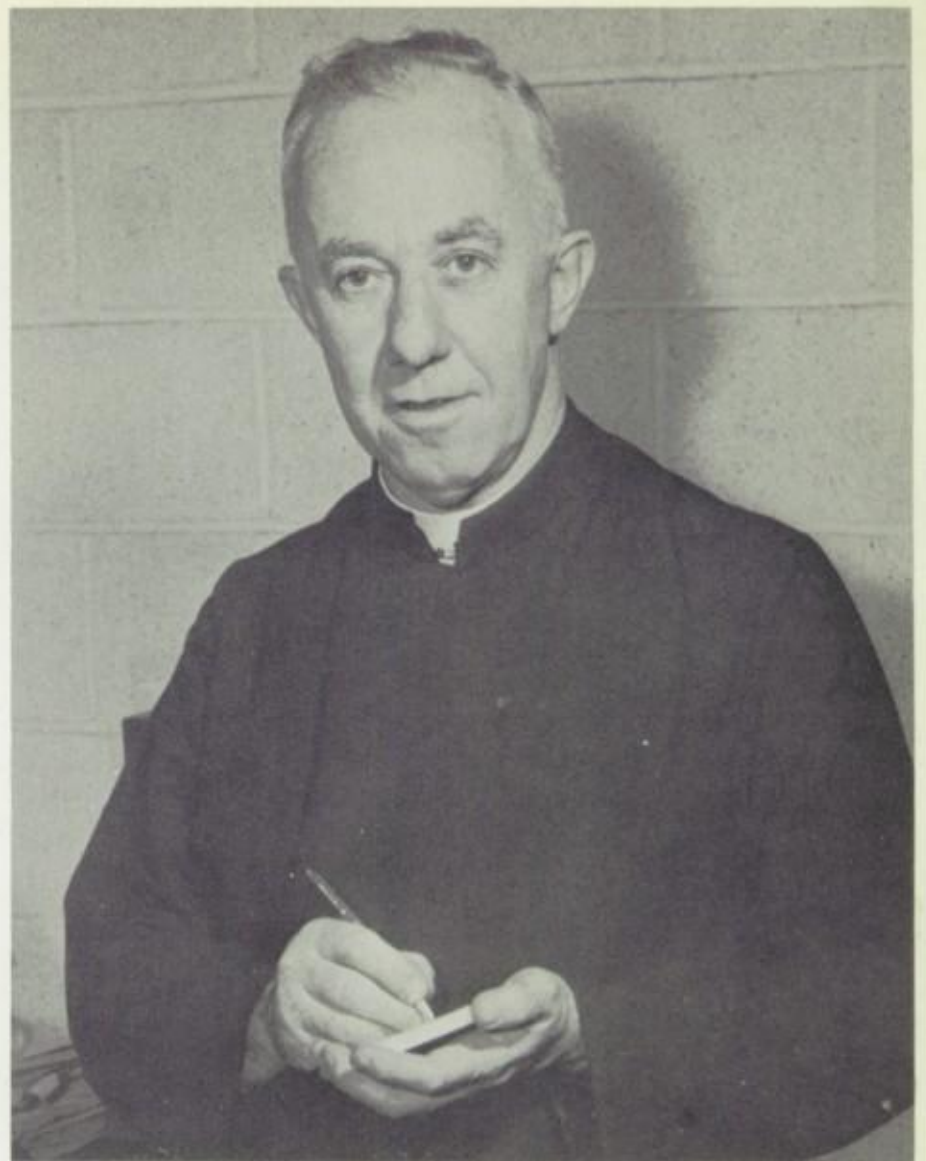

1961 is another milestone in the history of Catholic Central High School. It will be remembered along with 1928, the founding on Harper, 1934, the consolidation with Holy Name Institute on Belmont, and 1951, the move to West Outer Drive. This year the school plant was completed. It will remain for future priests, students and parents to decide if other facilities will be added.

A Catholic school is more than a well-ordered pile of bricks, concrete and glass enclosing a group of teachers and students. Each school is a small part of the teaching-Church, following Christ's command to teach all nations. A Catholic school is a nursery of Christ's apostles who will go into the world and become living examples of His principles.

Another shape is a wider triangle pointing downwards, overlapping the first one. The third shape is a horizontal, elongated triangle pointing to the right, located at the bottom. The word "Seniors" is printed in a bold, black, sans-serif font within a white rectangular box, positioned to the right of the overlapping shapes.

CHAMPIONSHIP TROPHY RETURNS TO C.C.

After a year's absence, the trophy representing superiority in Detroit High School Hockey circles returned to the school. This year's team had the spirit which never gave up. Faced with elimination in the third playoff game with Riverside and down 4-2 with nine minutes to go, Bruce Koviak and John DeBrincat scored to tie the game. The game went into overtime, and Mike O'Dea scored at the nine minute mark to win the game. Tom O'Dea, the captain was easily the most valuable player of the year. Jim Dunn played brilliantly in goal. John DeBrincat, Church Henderson, and Joe George were among the outstanding performers over the season. A special note of thanks is due to Fr. Barnes, Mr. Joe Wills, Mr. Henry Henderson, Mr. Jerome Koviak, and Mr. Frank LeMiere for their help and support this past year.

MR. JOHN J. HETTCHÉ DIES

Catholic Central lost a wonderful friend this past year when Mr. John Hettche passed away suddenly on January 20, 1961. Mr. Hettche was a prominent Detroit businessman and sports enthusiast. Since 1953 there has been a team bearing the Hettche name in the Detroit Recreation League. Mr. Hettche always had a sincere interest in Catholic Central. The sympathy of the entire school goes out to Mrs. Hettche. May his soul and the souls of the faithful rest in peace.

An abstract graphic design featuring three overlapping, light gray, elongated, diamond-like shapes on a solid black background. One shape is oriented vertically, pointing upwards. Another is oriented vertically, pointing downwards. The third shape is oriented horizontally, pointing to the right. They overlap in the center, creating a small black diamond shape. The word "Underclassmen" is printed in a bold, black, sans-serif font within a white rectangular box that is positioned to the right of the central overlap of the shapes.
